# STUDENT PROGRAMS

IN CONJUNCTION WITH THE SMARTS PROGRAM

## 2019

### OCTOBER

**October 31 at 9:30am & 12pm**

After watching Judy Blume get into mischief at the theater, listen to a classic re-telling of the **Bell Witch Story**. This haunting account of a spooky spirit who terrorized a family in Adams, TN is the most well-known ghost story in the region. *\$2.00 per student*

### FEBRUARY

**February 4 at 9:30am & 12pm**

Learn about our **own community's rich African American history** after the "Struggle to Freedom" program. Hear the connection of Muhammad Ali, Joe Lewis, Jimi Hendrix, Ted Posten, bell hooks, and other Hopkinsville locals. *\$2.00 per student*

### APRIL

**April 17 at 9:30am & 12pm**

After "Miss Nelson Has a Field Day," have a field day with us! Students will explore the newly-renovated **Pennyroyal Area Museum** by going on a scavenger hunt to discover what our museum has to offer following hints and ideas to find unusual facts and artifacts. *\$2.00 per student*

### SEPTEMBER

**September 24 at 9:30am & 12pm**

Walk with us for "**The History of Hoptown in 5 Acts**," a 90-minute downtown tour that provides a crash course in local history while following the traditional structure of Shakespearean plays. This dynamic program weaves the story of this community from its earliest days to the present. *\$2.00 per student*

### DECEMBER

**December 4 at 9:30am & 12pm**

Visit the **Woody Winfree Fire-Transportation Museum** after "The Very Hungry Caterpillar." The Museum will be decked out with all the trimmings for the holidays as people would have decorated their homes in the late 1800s. Students will make traditional Christmas ornaments, and sample finger foods and beverages will be offered. *\$2.00 per student*

### MARCH

**March 19 at 9:30am & 12pm**

After learning about Isaac Newton in "Newton's Apple," delve into the great science minds born right here in Christian County, KY. Complete a fun **science experiment** as we connect our local history to the scientific world. *\$2.00 per student*
